WE NEED A LEADER

We need a pastor to lead our congregation in disciple-making and help us revitalize where we're headed as a church.

We're praying for a leader with biblical knowledge and the ability to teach it, along with preaching the Gospel. We're looking for someone with strong moral character that is a visionary leader. In order to mesh well with our congregation, there must be an understanding of rural lifestyles and excitement to work with people of all ages.

OUR VISION STATEMENT

It's time to come back to
a connection with God,
a connection with each other,
a connection with our community
